Join us for dinner and a show as the Ohio Fire Chiefs' Association presents Tom Watt – The Buffetman & The Fruitcakes! Tom Watt, known to his loyal following as "The Buffetman," has been entertaining his audiences around the U.S. and Canada, Caribbean Islands and the Bahamas for more than 16 years. Not only does his show celebrate the music and spirit of the Jimmy Buffett concert experience, but Tom is the only Jimmy Buffett impersonator who both LOOKS and SOUNDS like Jimmy himself!

His show features a wide range of fan favorites such as "Margaritaville" and "Fins," plus Buffett concert staples like "Brown Eyed Girl," "Uncle John's Band," and, of course, "A Pirate Looks at 40."

So, if you miss that feeling you get at a Buffett concert or an island vacation, grab your Hawaiian shirts, parrotheads, and flip flops and set course for the Easton Ballroom at the Columbus Hilton at Easton. It's sure to be a Saturday night in paradise! Cheeseburgers optional!
