**(Please arrive 15 minutes prior to class time)**

Ever wanted to try your hand at painting? The Ohio Fire Chiefs' Association is offering a partner's program at this year's conference to participate in an afternoon of painting and wine sipping. Here's the perfect opportunity to test your creative talents! Nervous? Don't be. There's no real talent or experience necessary! Talented instructors will guide you step-by-step! You will be amazed at your very own work of ART!

The Wine and Canvas Private Event is approximately 2 ½ - 3 hours in length for instruction and a small break for dry time. All participants receive a 16 X 20 gallery wrapped canvas, easels, brushes, paints, aprons and paper products. An Instructor and assistant will work with you to re-create the featured painting.

**NOTE:** Wine will be available for purchase by the glass at the site. This is at an additional cost to the registrant.
